*Senior Director,
Technology and
Standards*

Consumer Technology
Association

The Blueprint for Scaling Hospital-at-Home supports broader adoption of technology in hospital-at-home care. The Consumer Technology Association is proud to continue collaborating with DiMe to drive these industry solutions, including standards, which support innovation, better access, and improved outcomes through digital technologies.

Advancing a Sustainable
Hospital-at-Home
Ecosystem at Scale

Connected Health

Collaborative Community by DiMe & co-hosted by OCTA
