DIVERSITY, EQUITY & INCLUSION

in Digitized Clinical Trials

Improving and increasing diversity,
equity, and inclusion in the clinical
trial design process

Partners

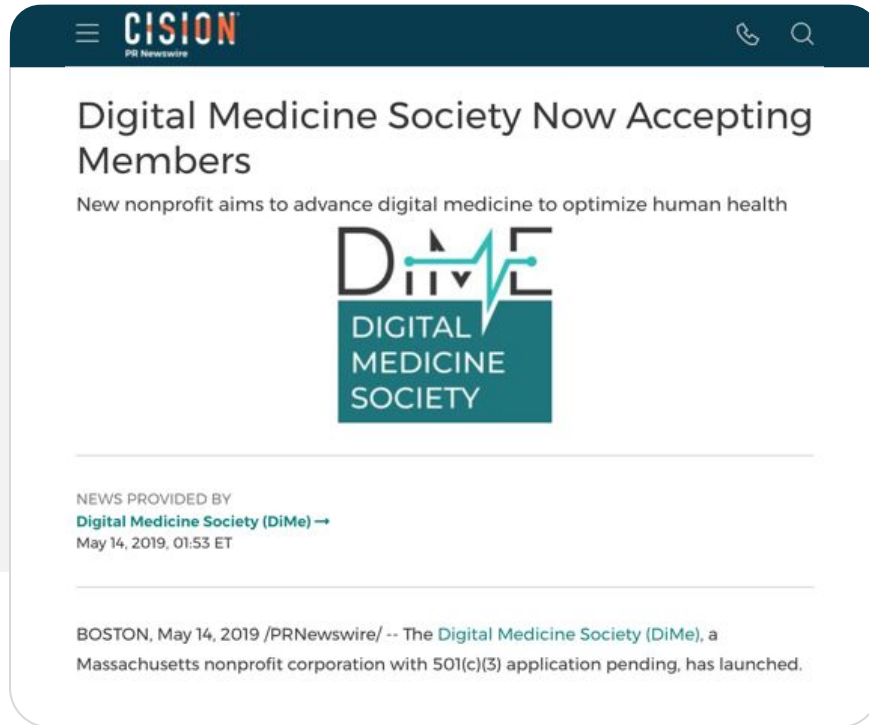

“**Diversity** is receiving an invitation to a party. **Equity** is possessing the resources to attend. **Inclusion** is being asked to dance” –

Our mission

DiMe is a global non-profit dedicated to advancing the **ethical, effective, equitable, and safe** use of digital medicine to redefine healthcare and improve lives.

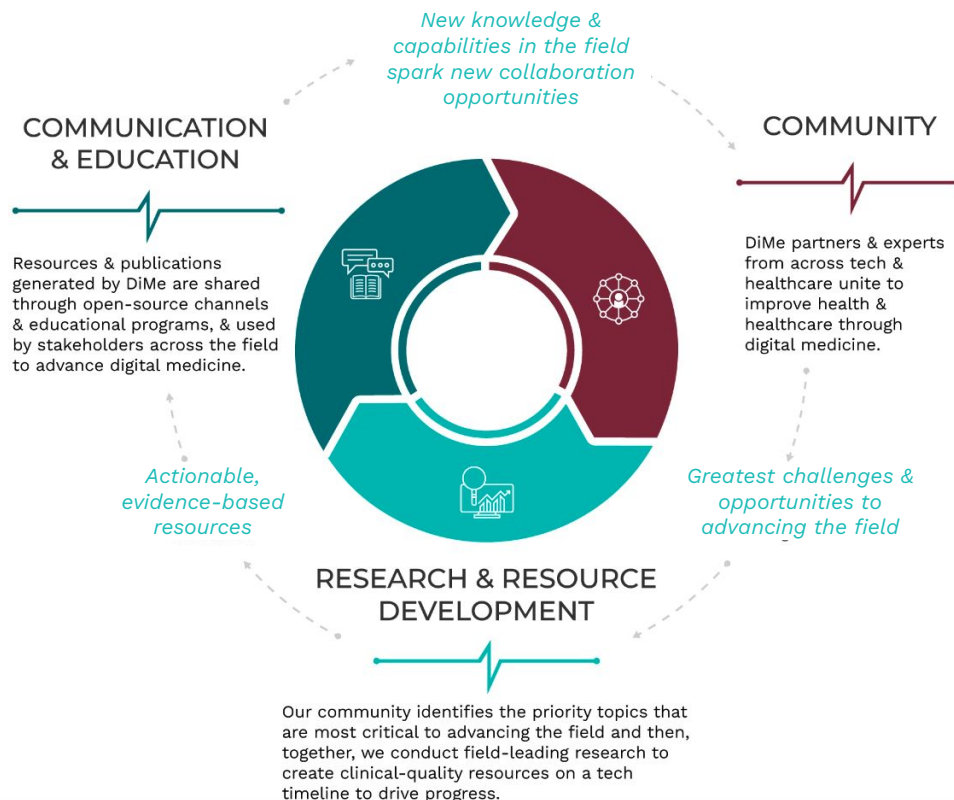

We launched in May 2019...

We learn from and collaborate with experts from across the industry

We deliver clinical quality work on a tech timeline

We sit at the intersection of global healthcare and technology

But first, housekeeping

- Please note: **today's session is being recorded**
 - Slides and recording will be available on DiMe's webinar page after the session
- To ask a question for discussion during live Q&A, please either:
 - **'Raise your hand'** in the Reactions and the moderator will unmute you to ask your question live, or
 - **Type your question** into the chat box
